Dear Elancheliyan Sivagnanam:

Re: Business Name Approval - VCCOSA-Canada (Velanai Central College Old Students' Association – Canada)

Thank you for completing the *Business Name Approval Form* requesting the written consent of the Ministry of Training, Colleges and Universities under the *Corporations Act* for the use of the word "college" in the above-noted business/corporate name.

The Ministry **consents** to the use of the word "college" in the name indicated above. Please note that this consent is conditional on the registrant and the organization not representing themselves to the public as a college of applied arts and technology or as a university or other degree-granting post-secondary educational institution, and on their compliance with all relevant legislation.

Also please note, this consent is solely limited to the use of the word "college" in the name indicated above under the provisions of the *Corporations Act*. It should not be relied upon for any other purpose. Any liability stemming from confusion with the name of another business or institution, including a private educational institution or an out-of-province educational institution, is the sole risk of the applicant. Registration and confirmation of availability of the name must be done through the Ministry of Government Services, which can be reached at 416-314-9151 or 1-800-565-1921.

If you have any further questions, please contact me via email at Helena.Andrade@Ontario.ca or call at (416) 212-6586.

Sincerely,

A handwritten signature in black ink that reads "Helena Andrade".
